PE NEWS - from Mrs Sanderson, P.E. Teacher
Students in all classes have been enjoying trying out a whole heap of sports played at the Commonwealth Games this term. I can’t wait until 23 July – 3 August when the Games are on, so they will be able to see what it’s all been about. Hopefully, if you haven’t seen a Gold, Silver or Bronze medal come home yet one will be coming home soon. Next term as part of our Large Ball skills (P - 3) and Large ball team games (4 - 7) we will be having Development Officers for both AFL and NRL visit our P.E. classes. The AFL officer will be working with the 4 - 7 classes in PE and P - 3 have the chance to participate in an Auskick program at lunchtime. Please watch this space for more info. The NRL Officer will work with all classes P - 7. I am excited to have these visitors to our school and I’m sure the students will benefit immensely from this experience.

Book Fair
Last week we held our Book Fair in the Library and it was great to see so many of our students and their families visiting our Reading Oasis. We would like to say a big thank you to all our families that supported the fair. We had a very successful Book Fair raising $5232.85 which gives our Library a commission of just over $1500.00 to spend on Books and Resources for our students to enjoy.

Student Library Borrowing
All students will now borrow their Library books on a Monday or Tuesday when they have their Library Lesson with Mrs Mabb, and Year 4B will be on Fridays. Please remind your child to return the Library Book that was borrowed the week before and they MUST have a Library Bag or Homework Folder to be able to borrow (it can be a pillow case, a fabric shopping bag or a library bag available for purchase at the office $3.50). Encourage your child to read or take the time to read with your child - it’s wonderful one on one time, and - "Reading makes all other learning possible. We have to get books into our children's hands early and often” Happy Reading!

Help children in the Philippines recover from abuse and misfortune – a raffle ticket fundraiser.
Criza S. in year 6 is committing herself to help the fundraising efforts of a new Sunshine Coast-based organisation – Precious Children’s Foundation, to provide shelters for children who have been the victims of abuse and misfortune in the Philippines. Children have also been displaced as an outcome of the recent horrific tornado in the Philippines which destroyed many family homes; some children even lost their parents. Criza is fundraising by selling raffle tickets in the plaza at 8:15 am on Wednesday, Thursday and Fridays starting this week. The cost is $2 dollars per ticket. There are family prizes to be won such as a popcorn machine or a microwave, a massage for mum or dad, and more. All proceeds go directly to helping children in the Philippines have a better and brighter future. Please show your support for this venture if you can.
