**‘SEA OF RED’**

Well it certainly looked like a ‘SEA OF RED’ as our students participated in our Walk for Daniel on Friday 31 October. We had a fantastic response from our students, staff and families, with people in red as far as the eye could see. It was great to see the Wamuran community spirit, with the honking of horns from trucks and passing cars in acknowledgement and support of our Day for Daniel. I think all will agree that our massive human t-shirt on the oval looked incredible, and even the heat didn’t diminish the excitement out there! We were able to raise awareness of child safety, protection and harm prevention whilst having fun and working together. Of course our wonderful Ange (and her amazing volunteers) from Tuckshop helped make the event, with delicious Meal Deals that were enjoyed by many. Those icy cold drinks and ice blocks certainly went down well after the blistering heat of the oval!

‘Wear Red and Educate’ was the theme for the 10th Annual Day for Daniel, and as a community, we were able to achieve this. Many thanks to all involved, it takes a team to organise such a successful day and I am sure that the day was enjoyed by all!
