Remember when you believed in anything and everything?
Researchers from the University of Western Australia are investigating children’s tendencies to being tricked, fooled and misled by their peers. We are looking to see how this develops in children, and when children outgrow this. They are looking for parents of 10 – 11 year old children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to: [http://tinyurl.com/childsvq2](http://tinyurl.com/childsvq2) or for more information please contact Rebecca Seward at (08) 6488 4652 or rebecca.seward@research.uwa.edu.au
