Under this agreement for 2014
Wamuran State School will receive

$82,250°

This funding will be used to

- Increase the percentage of students meeting the NMS in reading from 97.8% to 100% for Year 3 students by 2015
- Increase the percentage of students meeting the NMS in writing from 97.8% to 100% for Year 3 students by 2015
- Increase the percentage of students meeting the NMS in spelling from 86.7% to 100% for Year 3 students by 2015
- Increase the percentage of students meeting the NMS in numeracy from 97.7% to 100% for Year 3 students by 2015
- Increase the proportion of students in U2B in reading from 37.8% to 40% for Year 3 students by 2015
- Increase the proportion of students in U2B in numeracy from 15.9% to 25% for Year 3 students by 2015
- Improve teacher capacity in data analysis (Triangulation of data eg NAPLAN) and pedagogical practices
- Improve student outcomes based on early intervention through capacity building of TA's in appropriate and targeted PD

Our strategy will be to

- Review evidence from standardized testing and school data, each term and provide a learning plan for Year 2 and 3 students who are predicted to fall below NMS and for targeted U2B students.
- Implement oral language program for Prep-Year 2 students and targeted Year 3 students
- TA support targeted towards needs identified during data analysis
- Implement the coaching model to build teacher capacity using ASoT Framework
- Employing outside agencies to provide extension activities outside of school hours

Our school will improve student outcomes by
