School Profile

As our vision suggests, a very strong sense of community spirit exists within the Wamuran school community. We are committed to achieving the best educational outcomes for every student. Classroom teaching programs are balanced & innovative, while still ensuring the focus is maintained on Literacy & Numeracy. Technology is valued and integrated within the curriculum to engage and enhance learning experiences for students. Our students participate in a wide variety of extra curricula and sporting activities. Through School Wide Positive Behaviour Support we foster a safe and supportive environment and have developed our school values in collaboration with our community.

We have consistently achieved outstanding school opinion survey results from students, parents and staff. Our Chaplain addresses the spiritual and emotional needs of our community. Parents are valued and are encouraged to become actively involved in the school. Our P & C Association fosters cohesion within the school community and provides additional resources including the additional employment of teacher aides critical to our school’s success.

We are proud of the partnerships established within our community and beyond: NASHO’s, Wamuran Sporting Association and QUT (Caboolture).

Wamuran State school provides a safe and supportive environment for all. Welcome to our beautiful school.

We would like to acknowledge the contributions of the Wamuran State School students, parents and staff in the formation of the Quadrennial School Review (QSR) led by the QSR committee: Pam Carlile (DP), Angela Garlick (P&C President), Jayne Clark (BSM/P&C Vice President), Sue Embrey (parent representative), Michelle Gaske (STLaN) and Susan Clement (Principal).

Mrs Susan Clement
Principal

Mrs Angela Garlick
P&C President

Mr Ken Collier
Assistant Regional Director
