Under this agreement for 2016
Wamuran State School will receive $124,640*

This funding will be used to

- Increase the percentage of students at or above the National Minimum Standard in Literacy and Numeracy for Year 3 and Year 5 students.
- Ensure students who are below the National Minimum Standard have a documented Individual Curriculum Plan.
- Diagnose learning difficulties for students and provide research based intervention to support diverse needs.
- Improve teacher and teacher aide capability through focused coaching and professional development to improve student performance in Literacy and Numeracy.
- Increase the percentage of students in the NAPLAN Upper 2 Bands (U2B) in Literacy and Numeracy.
- Increase the percentage of ‘C and above’ English and Maths results.
- Build the capacity of the school to increase appropriate student behaviour and decrease problem behaviour.
- Improve students’ wellbeing and build their capacity to be resilient.

Our initiatives include

- Focus on reading comprehension strategies in Literacy and problem solving in Numeracy.
- Review students’ Literacy and Numeracy performance in 5 week intervals using school based data.
- Implement a consistent and rigorous Reading, Spelling and Numeracy program across Years Prep - 6.
- Employ teacher aides that are familiar with the North Coast Region (NCR) Success Project for Literacy and Numeracy.
- Implement a modelling, observing and feedback cycle that utilises the gradual release model for teachers and teacher aides.
- Provide parent workshops that develop skills whereby parents can best support their child in Literacy and Numeracy.
- Implement Schoolwide Positive Behaviour Support (SWPBS), Bounce Back and Fun Friends across the school.
