Mathletics and Reading Eggs 2017

Dear Parent/Carers,

In 2017 all students at Wamuran will participate in Mathletics and Reading Eggs/Reading Eggspress.

Along with regular traditional learning resources, Mathletics is used as an additional resource for Maths teaching and learning. Mathletics is a web based learning program which integrates home and school learning via the internet. Mathletics covers the Prep – Year 12 Australian Curriculum.

In Year 4 Mathletics & Reading Eggs will be used in class time for consolidation, during lab time and homework tasks will be set.

For more information please visit www.mathletics.com.au to view the website.

As part of the overall Literacy program in 2017 we will be using Reading Eggs in our Prep and Year 1 classrooms and Reading Eggspress in Years 2 – 6. We feel that these online reading resources are a valuable addition to the literacy program helping to consolidate all the basic skills students need for reading. Each student will receive an individual password and username which they can use to access the site once payment has been made. For more information please visit www.readingeggs.com to view the website.

Teachers will be monitoring the students’ usage and results of both programs and we encourage parents to do the same. Total cost for Years 1 – 6 is $30 for the year, and total cost for Prep is $15 for the year.

For further information about Mathletics or Reading Eggs & Reading Eggspress please contact Michelle Gaske by phoning 5429 9444 or by email - mgask1@eq.edu.au.

Yours Sincerely

Sue Clement
