Year 6 Student Resource Scheme (SRS) - 2017

Dear Parent/Caregiver

You are invited to join the Year 1 Student Resource Scheme (SRS) for 2017. From 1 January 2011, the scheme commenced operation under the policy and guidelines of the Department of Education and Training FNM-PR-018: Student Resources Scheme. The scheme is still supported and approved annually by the school’s Parents and Citizens Association (P & C), is still managed by the school and still operates in accordance with section 51 of the Education (General Provisions) Act 2006.

The scheme is voluntary and you are under no obligation to join. However, please be aware that the materials and consumables required under this scheme are not funded by school grants. Therefore if you do not wish to join the scheme you are still responsible for providing your child with the items that would otherwise have been provided by the schemes as detailed in the list below, to enable your child to engage with the curriculum.

The provision of this scheme ensures that well resourced learning by our students remains our key focus. The scheme is not a fund raiser for the school. Its purpose is to provide you, the parent, with a cost effective, value for money alternative to purchasing textbooks, resources, consumables and materials. Items provided by the scheme are as follows:

Parent Experiencing Financial Difficulties

10. A parent wishing to participate in the Student Resource Scheme and experiencing financial hardship is encouraged to contact the Principal to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. Certain arrangements, such as a payment option offered by the school, will be discussed with the student and their parent.

11. The onus of proof of being so affected is on the parent, and might include a completed Health Care Card or other evidence to establish financial hardship.

12. Any concessions given to the participation fee will be at the discretion of the Principal.

Terms and Conditions of Participation in the Scheme

22. Payment of the prescribed fee implies acceptance of the Student Resource Scheme including the Terms and Conditions irrespective of whether or not the signed form has been returned.

23. For the purposes of the scheme, a student is living independent of their parents, regardless of the terms and conditions to "parent" is a reference to the independent student.

24. Where a parent chooses to join the scheme and completes a Participation Agreement Form, an annual participation fee will be due and payable by the parent to the Student Resource Scheme.

25. In return for payment of the participation fee, the scheme will provide the participating student with textbooks and/or resources, consumables and materials as listed on the Year Level Requirements List as being provided by the scheme, when due for the student's use.

26. Payment of the participation fee is to be made according to the payment arrangement option indicated by the parent on the Participation Agreement Form, or as otherwise approved by the Principal.

27. Non-payment of the participation fee by the designated payment date(s) will generate a reminder notice to the parent from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee(s), which is warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent.

28. Without limiting any other action the Principal may take in accordance with these terms and conditions, subject to 26 above, the Principal may withdraw a student's participation in the scheme due to non-payment of a participation fee, and/or may require the return of items provided by the scheme for the temporary use of the student, and/or may withdraw the giving of any further items under the scheme until the debt is paid.

29. The Principal may refuse to admit a student to the scheme where participation fees are overdue from the previous year's scheme.

30. Where participation fees are overdue, the Principal has the discretion to exclude a student from an optional school activity, but not from graduations and formals.

31. The scheme provides the entire package for the specified participation fee, and is not available in parts unless specifically provided for by the school in the fee structure.

32. All textbooks and resources provided for temporary use by the scheme shall be in good condition by the school Administration Office. Any item is returned, the parent will be responsible for payment to the scheme for the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.

33. Textbooks and other resources provided for temporary student use by the scheme shall be returned at the end of the course or school year when the student ceases attending the school, whichever is the earlier. Where an item is not returned, the parent will be responsible for payment to the scheme for the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.

34. The parent is responsible for supplying the student with any additional student materials that are not provided by the Student Resource Scheme, as indicated on the Year Level Requirements List and/or Subject Requirements List or otherwise advised by the school.

35. If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40-week school year basis.

36. If a student, having paid a participation fee, leaves the school during the year, a pro-rata refund will be made to the parent, calculated on the participation fee paid, less the cost of consumed materials and the replacement cost of scheme items that are lost or negligently damaged or not returned, plus the pro-rata Textbook and Resource Allowance calculated on a 40-week school year basis.

37. As the scheme operates for the benefit of participating parents, and is funded solely from participation fees, resources provided by the school will not be issued to students whose parents choose not to participate in the scheme.
